

Dear Resident and Family,

A warm welcome to your new community!

We understand the care you've taken to find the right community to call home. Selecting the best pharmacy to serve you is just as important. That's why we are delighted to share that your community has chosen to partner with our pharmacy.

We take great pride in this partnership and are committed to ensuring that you get the medications you need, when you need them, safely – and at the right price.

Our professional and compassionate pharmacy team is wholly focused on delivering exceptional care to you and your community's staff. Our services are provided locally, and are designed to make sure you never have to worry about your medication needs.

Friendly, Knowledgeable Billing Specialists

- **Cost Management** - We coordinate directly with your physicians and insurance company to ensure minimal out-of-pocket medication costs. Unlike a retail pharmacy, we bill medications monthly, and our local billing staff is always ready to answer your billing-related questions.
- **Medicare Benefits Review** - We help you understand your Medicare benefits and offer consultations to help you select a plan that best fits your needs, often saving you money.

Experienced Senior Care Pharmacists

- **Medication Reviews** - Our pharmacists perform ongoing medication reviews to ensure your medication combinations are safe and appropriate for you.
- **Expert Clinical Care** - They also provide expert clinical support to your community's staff and are always available to answer your medication-related questions.

We are very excited for the opportunity to serve you. If you have any questions, please contact us at 317-452-4669.

Sincerely,

Johanna Readinger

President, Guardian Pharmacy of Indiana
